COUNTY OF LOS ANGELES

PATRICK OZAWA
ACTING EXECUTIVE OFFICER

Dear Supervisors:

**REQUEST APPROVAL TO INCREASE PERCENTAGE ALLOCATED TO THE OPTIONAL
VISITATION CENTERS AND MODIFY LANGUAGE TO THE PREVENTION AND
AFTERCARE SERVICES CONTRACTS
(ALL SUPERVISORIAL DISTRICTS) – (3 VOTES)**

SUBJECT

The Department of Children and Family Services (DCFS) requests your Board's approval to amend the Prevention and Aftercare Services (PAS) Contracts under the Safe Children and Strong Families Service Delivery Continuum, to increase the allowable funding allocation for the Visitation Centers, and to modify language in certain sections of the contracts. The term for the PAS contracts is from January 1, 2015 through December 31, 2017, with two additional one-year options to extend through December 31, 2019.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Director of DCFS or his designee, to prepare and execute amendments with the agencies indicated in Attachment A, to increase the allowable funding allocation for the Visitation Centers from five percent (5%) to fifteen percent (15%) of the maximum annual contract sum, and to modify language for clarity and consistency in certain sections of the Terms and Conditions of the contracts and in the Statement of Work.
2. Approve the use of the Form Amendment substantially similar to Attachment B to execute the amendments.

"To Enrich Lives Through Effective and Caring Service"

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommended actions give the contractors more flexibility to secure additional locations to use as Visitation Centers for parents to meet with their children in a setting where families have access to services, structured activities and resources that strengthens their reunion and enhances family values. The Amendment includes language in the contract that allows the contractors to engage with community partners to obtain goods and services as part of the Prevention and Aftercare Services program. The Amendment removes language that restricts the use of seven and a half percent (7.5%) of the total contract award for community outreach, which increases and promotes community awareness of child abuse and neglect.

Implementation of Strategic Plan Goals

These contracts are consistent with the principles of the Countywide Strategic Plan Goal 1: Fiscal Sustainability and Goal 3: Integrated Services Delivery. These goals are being accomplished by providing additional services that reduces the number of children in out-of-home care and allows children to remain safely in homes by ensuring that individualized case planning and appropriate community alternatives are in place.

FISCAL IMPACT/FINANCING

This Amendment does not affect the maximum sum of these contracts. There will be no change to the maximum annual amounts appropriated to the PAS contracts with the increase of funding allocation for the Visitation Centers. The maximum annual cost for the PAS contracts is \$6,618,348 financed by 29 percent Federal revenue (\$1,899,250), four percent State revenue (\$255,292), 46 percent AB 2994 funds (\$3,062,000), and 21 percent net County cost (\$1,401,806). Funding is included in the 2015-16 Fiscal Year's Adopted Budget, and it will be included for subsequent fiscal years in the Department's budget requests.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The PAS contracts were approved by your Board on November 18, 2014, for the period of January 1, 2015 through December 17, 2017, with the option to extend two additional one-year periods through December 31, 2019.

On April 8, 2013, DCFS released a Request for Proposals (RFP) to provide a continuum of coordinated services to address diverse levels of need, intended to strengthen families through the provision of targeted services, activities, and supports for the Safe Children and Strong Families (SCSF) Delivery Continuum. The PAS Program is among the array of coordinated services available for the children and families served by DCFS. The program objective is to provide services to enhance and ensure families have the knowledge, skills, and support for a successful life.

DCFS has evaluated and determined that the contractors are in compliance with all Board requirements. County Counsel has reviewed this Board Letter and the approved Form Amendment (Attachment B).

CONTRACTING PROCESS

There are no additional contracting processes required. The increase in the allowable funding percentage for the Optional Visitation Centers is considered a material change to the contracts and requires Board approval to authorize the DCFS Director to execute the amendments.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The approval of the recommended actions ensures that the families continue to receive the resources available to them through high quality public services that promote self-sufficiency, well-being, and enables them to improve their lives.

These contracts will not infringe on the role of the County in relationship to its residents and there is no change in risk exposure to the County.

CONCLUSION

Upon Board approval, the Executive Officer, Board of Supervisors, is requested to return one adopted stamped Board Letter to the Department of Children and Family Services.

Respectfully submitted,

PHILIP L. BROWNING

Director
